About Us

Since our launch in Jordan in 2000, **Castle Pack** has grown by providing innovative, practical, and environmentally friendly solutions.

We specialize in the production and supply of a wide range of high-quality packaging products that cater to various sectors, including restaurants, hotels, hospitals, and retail stores.

At Castle Pack, we are committed to using the latest technologies and the finest materials to maintain product quality, enhance user experience, and reflect brand identities. We believe that packaging is not just an outer layer—it is the first impression a consumer has of a product. It is an essential part of the customer experience, reflecting a product's true value and strengthening its market presence.

Through our innovative technologies and premium materials, we strive to be the trusted partner for those seeking cutting-edge packaging solutions that meet the highest standards. Our goal is to be the first choice for businesses looking for excellence in the world of packaging.

Our Mission

We strive for **continuous excellence** in producing high-quality, environmentally friendly products that comply with global quality standards.

Our Vision

Our goal is to become **the world's leading company** in food packaging by committing to excellence, innovation, and quality. We aim to exceed customer expectations by providing advanced solutions that meet their needs and deliver an exceptional experience, reflecting our passion for the industry.

Our Values

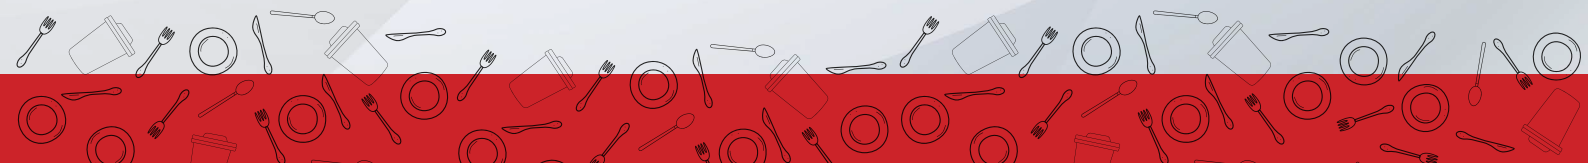

Quality & Innovation – We are dedicated to offering high-quality packaging products that meet international standards, continuously innovating in design and materials to ensure the best experience for our customers.

Environmental Responsibility – We believe in the importance of protecting the environment, which is why we use eco-friendly technologies and materials in our production processes to minimize environmental impact.

Trust & Integrity – We uphold transparency and reliability in all our dealings, fostering long-term relationships with our customers and partners.

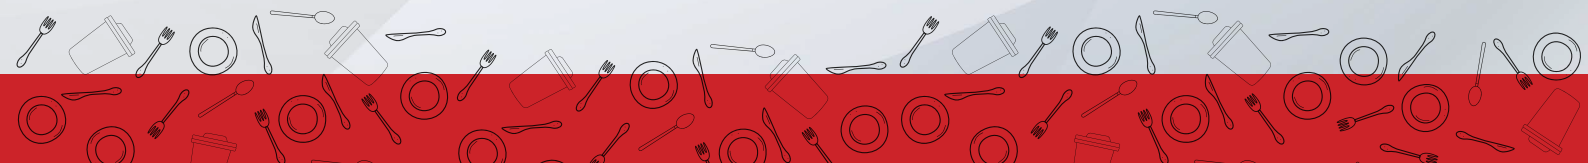

Service Excellence – Customer satisfaction is our top priority. We work diligently to provide the best solutions and services with efficiency and speed.

Continuous Growth – We stay ahead of industry advancements, constantly improving our products and services to meet evolving market demands.

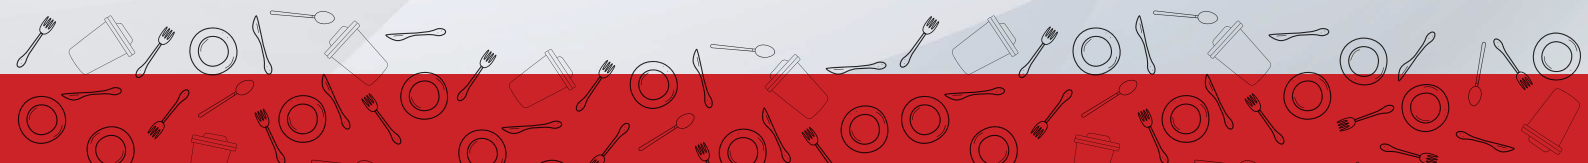

Why Choose Us?

Sectors We Serve

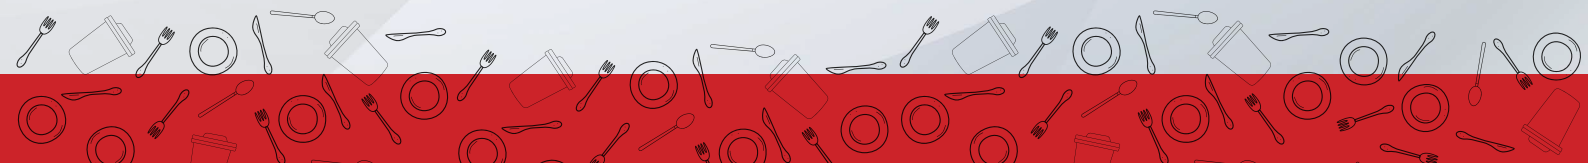

We specialize in providing a wide range of **packaging products for various industries**, carefully selecting our products to meet their specific needs. Our goal is to ensure the highest quality standards and achieve customer satisfaction by delivering practical and safe packaging solutions.

Bakery Sector

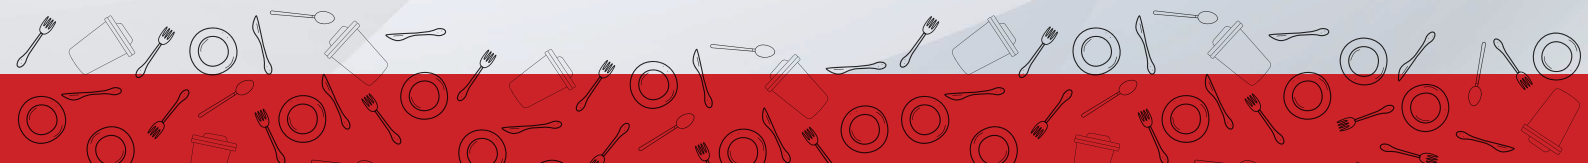

At Castle Pack, we offer practical and high-quality packaging solutions that preserve the freshness and flavor of your baked goods while presenting them in the best possible way. Our diverse options cater to your daily needs, with designs that facilitate storage, transportation, and serving—all while maintaining hygiene and food safety standards.

Hotel Sector

At Castle Pack, we understand that hotels require innovative packaging solutions tailored to their operations, whether for buffets, room service, or takeaway meals. That's why we provide a diverse range of elegant and functional packaging products, helping hotels deliver an exceptional hospitality experience while upholding the highest standards of quality and hygiene.

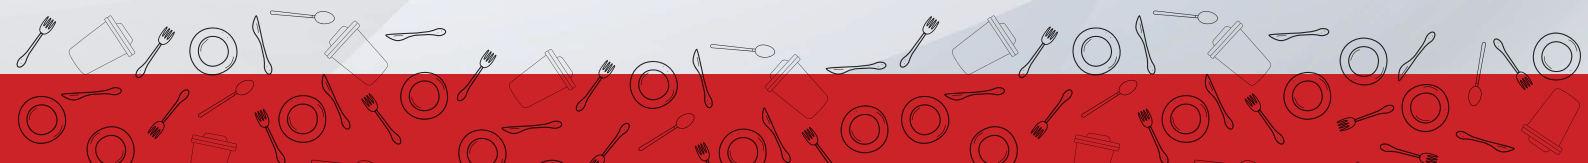

Hospital Sector

At Castle Pack, we recognize the critical importance of hygiene and safety in the healthcare sector. That's why we provide specialized packaging solutions tailored to meet the needs of hospitals and medical facilities. Our products ensure safe food storage and serving for patients and medical staff while maintaining the highest health and safety standards, along with easy handling and safe disposal.

We offer practical, leak-resistant packaging options suitable for individual meals, beverages, and specialized dietary foods in hospitals, ensuring meals are served safely, efficiently, and reliably.

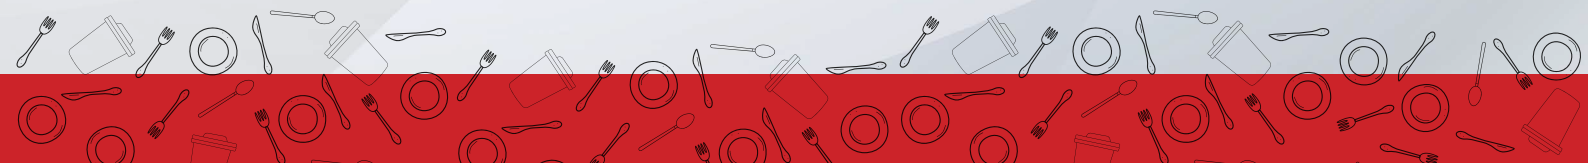

Restaurant Sector

At Castle Pack, we understand that every meal starts with the smallest details, and packaging plays a vital role in reflecting food quality and representing a restaurant's brand.

Whether you operate a fine-dining restaurant, a fast-food chain, or a delivery service, we provide custom-designed packaging solutions to meet your needs. From hot meals to cold dishes, small plates to large servings, our packaging solutions help maintain food freshness and appearance while ensuring practicality and ease of use, so your meals reach customers in perfect condition.

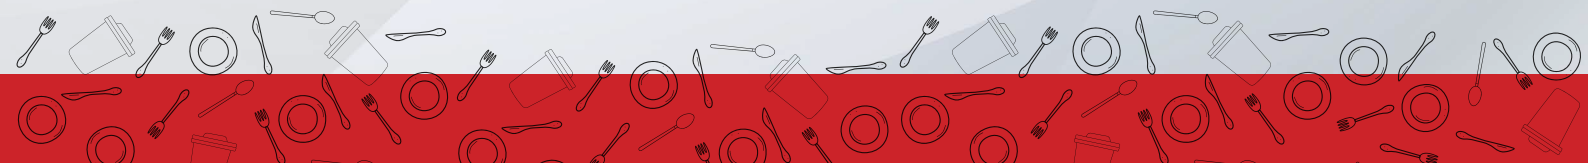

Corporate and Factory Sector

At Castle Pack, we understand the importance of providing businesses and factories with high-quality packaging solutions that meet their operational needs while ensuring safety and efficiency standards.

That's why we offer a wide range of products tailored to this sector—guaranteeing efficiency, safety, and top quality.

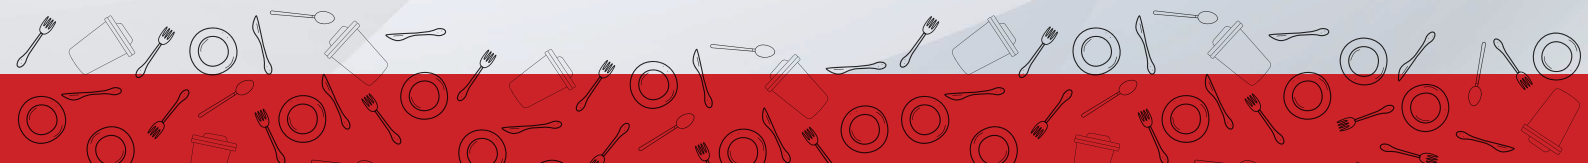

Retail Sector

In the retail industry, packaging is more than just product protection—it is part of the customer experience and brand interaction. That's why we offer innovative packaging solutions that not only preserve and protect products but also add an aesthetic touch that enhances their appeal and value.

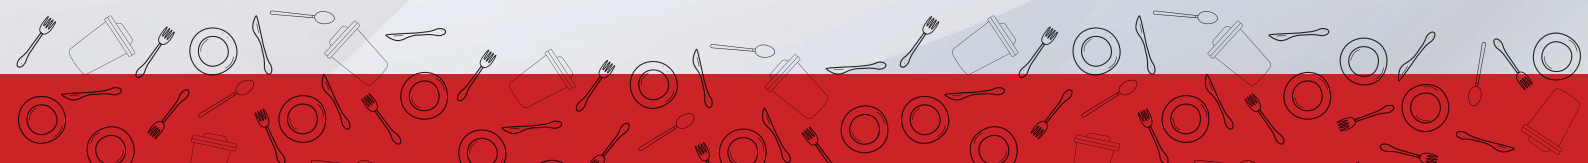

Whether you run a clothing store, footwear shop, electronics outlet, or cosmetics brand, we provide tailor-made packaging solutions to suit your needs. Our packaging ensures that your products reach customers in top condition while maintaining their visual appeal during display and transportation.

Safety Policy

At Castle Pack, we believe that quality, safety, and adherence to professional standards are the foundation of our success in the market. That's why we are fully committed to implementing the highest occupational safety standards to ensure a safe working environment for our employees and top-quality products for our clients.

Our Commitments

Compliance with International Quality Standards

We ensure the application of the highest product quality and safety standards, in accordance with ISO 9001, ISO 22000, and the HACCP system to guarantee food safety.

Providing a Safe Working Environment

We strive to prevent occupational hazards and reduce all risk factors that may lead to workplace injuries through the implementation of precise preventive measures.

Legal and Regulatory Compliance

We comply with all Jordanian laws and regulations related to quality, health, and occupational safety to ensure full adherence to applicable standards.

Continuous Improvement

We are committed to the regular development of occupational safety policies and procedures to create a safer work environment and achieve higher levels of efficiency.

Minimizing Environmental Risks

We apply procedures that reduce the environmental impact resulting from our operations.

Employee Engagement

We actively encourage our employees to report risks and contribute to the continuous improvement of the workplace environment.
