CASTLE PACK

**20** PRODUCTS  
**26** CATALOGUE

Since our launch in Jordan in 2000, **Castle Pack** has grown by providing innovative, practical, and environmentally friendly solutions.

We specialize in the production and supply of a wide range of high-quality packaging products that cater to various sectors, including restaurants, hotels, hospitals, and retail stores.

**At Castle Pack**, we are committed to using the latest technologies and the finest materials to maintain product quality, enhance user experience, and reflect brand identities. We believe that packaging is not just an outer layer—it is the first impression a consumer has of a product. It is an essential part of the customer experience, reflecting a product's true value and strengthening its market presence.

Through our innovative technologies and premium materials, we strive to be the trusted partner for those seeking cutting-edge packaging solutions that meet the highest standards. Our goal is to be the first choice for businesses looking for excellence in the world of packaging.

## Our Mission

We strive for **continuous excellence** in producing high-quality, environmentally friendly products that comply with global quality standards.

## Our Vision

Our goal is to become **the world's leading company** in food packaging by committing to excellence, innovation, and quality. We aim to exceed customer expectations by providing advanced solutions that meet their needs and deliver an exceptional experience, reflecting our passion for the industry.

## Our Values

**Quality & Innovation** – We are dedicated to offering high-quality packaging products that meet international standards, continuously innovating in design and materials to ensure the best experience for our customers.

**Environmental Responsibility** – We believe in the importance of protecting the environment, which is why we use eco-friendly technologies and materials in our production processes to minimize environmental impact.

**Trust & Integrity** – We uphold transparency and reliability in all our dealings, fostering long-term relationships with our customers and partners.

**Service Excellence** – Customer satisfaction is our top priority. We work diligently to provide the best solutions and services with efficiency and speed.

**Continuous Growth** – We stay ahead of industry advancements, constantly improving our products and services to meet evolving market demands.

**All our products are designed** to be fully customizable to match your brand identity. You can add your logo, choose colors and designs that reflect your brand's style, and adjust the finer details to align with your marketing vision. This allows you to present visually consistent products that reflect the level of professionalism and **quality your brand represents**. Whether you want to highlight your logo on the packaging or integrate the design with other brand elements, **the available customization options** ensure that every product serves as an effective tool to strengthen your presence in the market.

صنع في الأردن  
MADE IN JORDAN

At **Castle Pack**, we take great pride in receiving the “Made in Jordan” certification on 23/09/2025, a recognition of our commitment to quality, innovation, and excellence in local production.

This achievement reinforces our position as a leading Jordanian company in the field of packaging, **combining creativity, precision, and sustainability** at every stage of our work.

Since our establishment, we have continuously developed our products using the latest technologies to meet the needs of our partners across various sectors, reflecting their trust in the quality of Jordanian manufacturing.

We are proud to have our products represent a part of **Jordan's success story**, and we remain dedicated to elevating the name of Jordan in regional and global markets.

**Accreditation Certifications**  
**ISO & HACCP & BRCGS**

**Our Clients**

## القلعة للتعبئة والتغليف CASTLE PACK

**At Castle Pack**, we believe that true success can only be achieved by combining quality, innovation, and responsibility toward the environment and society. Guided by this principle, we are committed to providing packaging products designed according to the highest global quality standards, using eco-friendly materials that ensure safety and sustainability at every stage of production.

**We see our clients as partners on a continuous journey** toward excellence. We strive to build long-term relationships based on trust and transparency, placing our partners' needs at the heart of every decision we make and every product we deliver.

**Our vision extends beyond the industry itself**; we aspire to be an active part of building a future that is more environmentally conscious and more committed to quality—where packaging solutions become a means to support a sustainable economy and deliver real value to everyone we work with.
